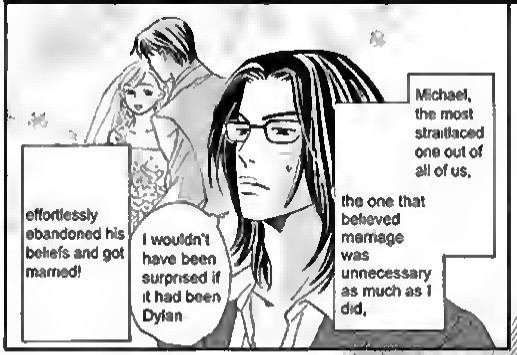
even the wisest of men become fools when they fall in love.
After leaving the orphanage, I lived all tinned beans to survive.
Any money I earned went straight into the stock market. Every time I invested, I grew richer...
And finally became a millionaire but...



Michael, the most straitlaced one out of all of us,
the one that believed marriage was unnecessary as much as I did,
I wouldn't have been surprised if it had been Dylan
effortlessly abandoned his beliefs and got married!

I'm just investigating the program.
How about dinner tonight?

Mr. Langdon, are you all right?

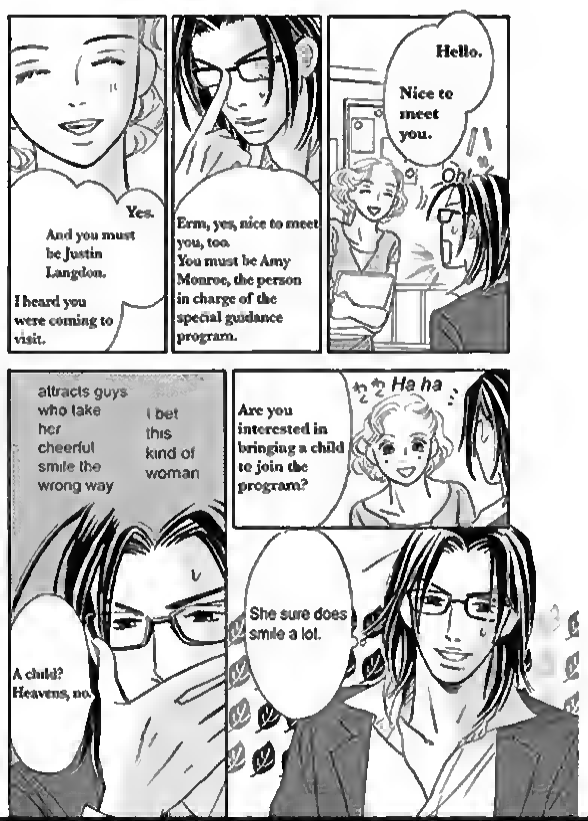
This angel is only kind to children and sick people.
What?



Yes.

I heard you were coming to visit.

You must be Amy Monroe, the person in charge of the special guidance program.

You have to control your body by breathing!

Everyone has a reason

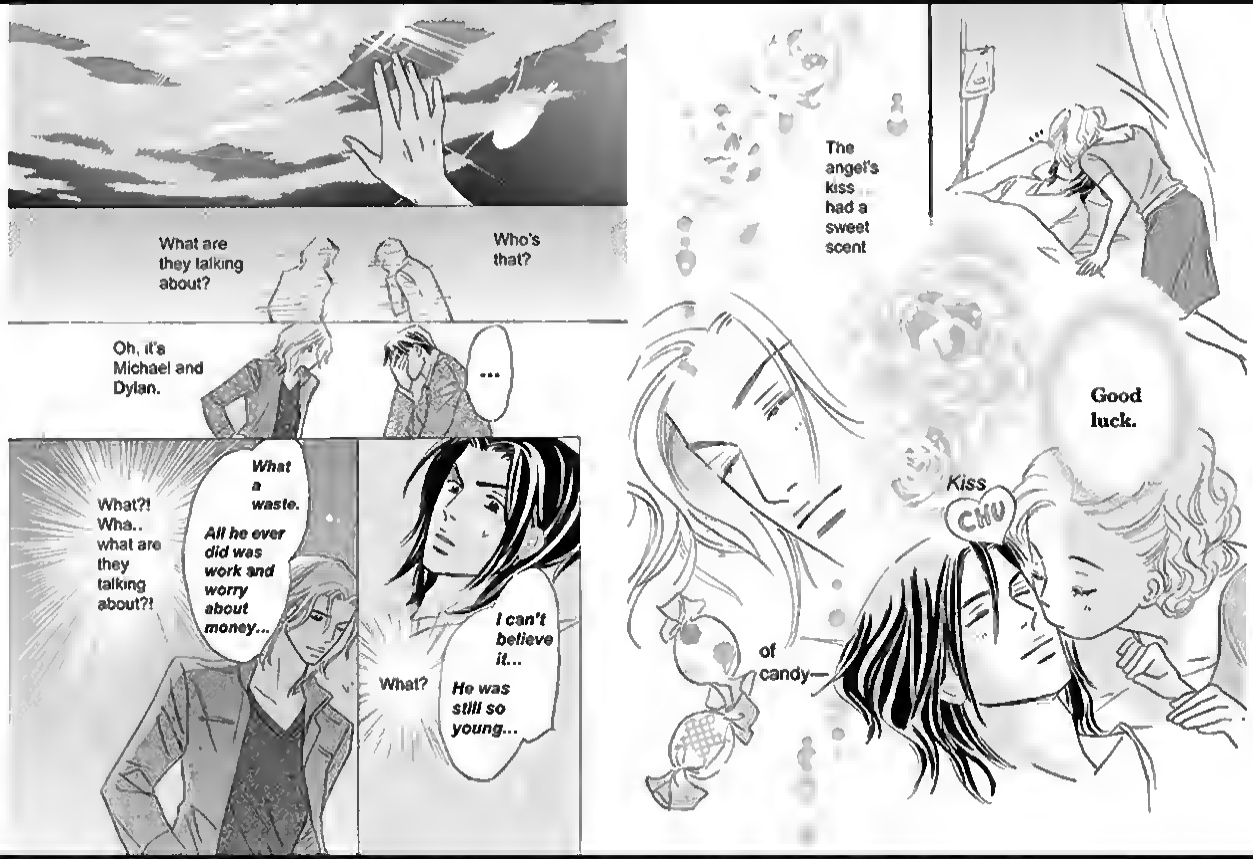
You shouldn't talk.
Save your energy for the operation.
Shush!
Thank...



What are they talking about?
Who's that?
Oh, it's Michael and Dylan.

I was so lost in economically stabilizing myself!!
I ended up in an orphanage hating poverty which was all I knew.
Did my life end idly?
After my parents got divorced, my mother wasted the child support my father gave us
I put up money in the stock market
I never thought to care for the people around me---

No...!!
Does that mean... I'm really dead?
What ..?
They can't hear me...?

I'll find the real reason I was born on this Earth.

Oh, God.

If you were ever to give me another chance...

A life filled "only with money" ...

You're stingy, but a nice guy.
We don't want anything to happen to you.
Look after yourself a bit more.

Well, then.

Seems like you're fine, so I'll be on my way.

Hey, Justin.
Welcome back to this world.
Oh, you've finally woken up.

We were all worried sick about you.

Thanks.
You look like you just got run over by a truck, Justin.
was it all right for you to have this very expensive operation?
You were so reluctant to donate money to the learning program for preschoolers but...
Ouch!
Stop it, Dylan!

Michael.
Just one more thing.

Did I... nearly die?
To tell you the truth, I want you and Dylan to feel the same way. But all I can do is hope.
Yeah you nearly did.

At least go to the doctor.

Oh, no.
Both my parents aren't around anymore.
These are my children.
Oh... Yes.
These are for you.
Thank you for saving my life.
The operation went well because of your quick thinking and the kiss you gave me before I went in.
I guess the operation was a success if you are able to come here.

Oh, well
Amy and the twins, Nick and Remy, are my sister's children.
Last year, the children lost both their parents

Millie's brushing her teeth now.
Why does Hatcher dislike you so much?
The problem is more to do with Ms. Hatcher.
Even the best mothers in the world shout at their children once in a while.
I can't believe I took it out on Millie. Something's the matter with me.
I'm so sorry about today, Justin

Amy.. What is she saying?
But this is all wrong!
A mission can't possibly be filled with so much happiness.

That's not a problem.

Wait a minute.

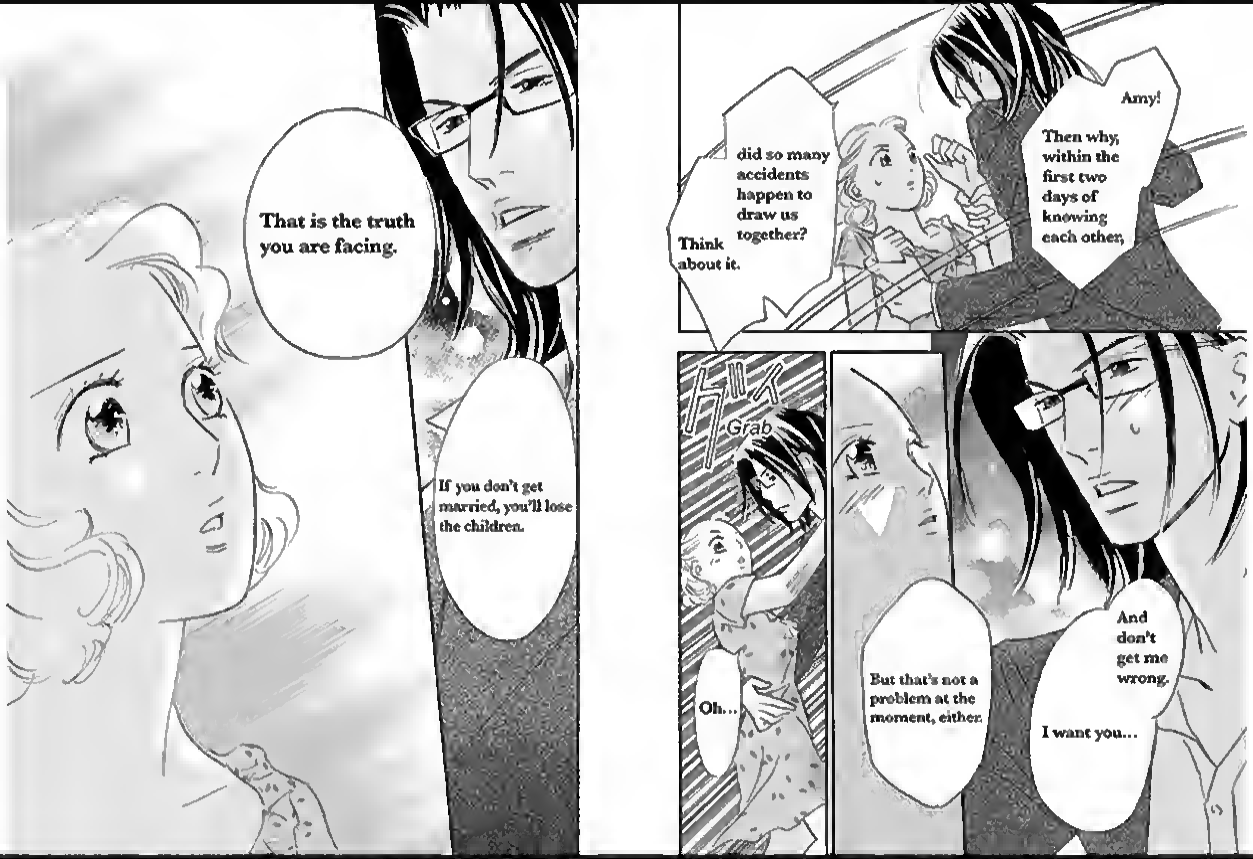
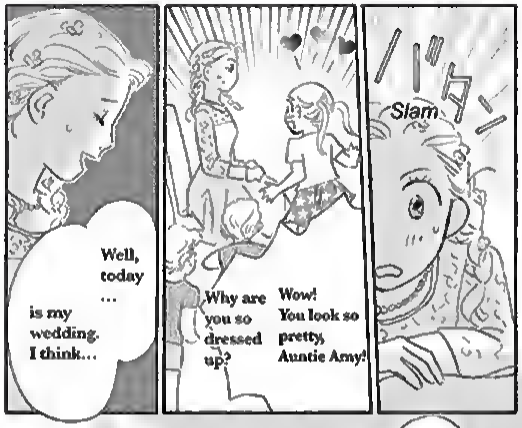
and I've been thinking about
You saved my life
You said that one of the reasons for you being here was to take me to the hospital.
If that's true, surely "I came back to life" to "solve" your problems.



That is the truth you are facing.
If you don't get married, you'll lose the children.
Amy!
Then why, within the first two days of knowing each other,
did so many accidents happen to draw us together?
Think about it.
Grab
Oh...
But that's not a problem at the moment, either.
And don't get me wrong.
I want you...



Well, today ... is my wedding. I think...
Why are you so dressed up?
Wow! You look so pretty, Auntie Amy!

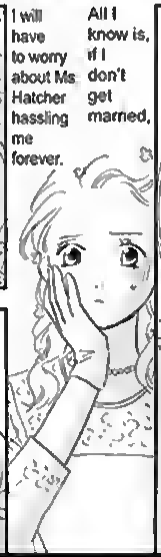
Either way, the moment that man collapsed before me, my fate was decided.



All I know is, if I don't get married, I will have to worry about Ms Hatcher hassling me forever.

So everyone needs to dress up pretty. We're all going out.
Yay!

There will be both cake and ice cream...

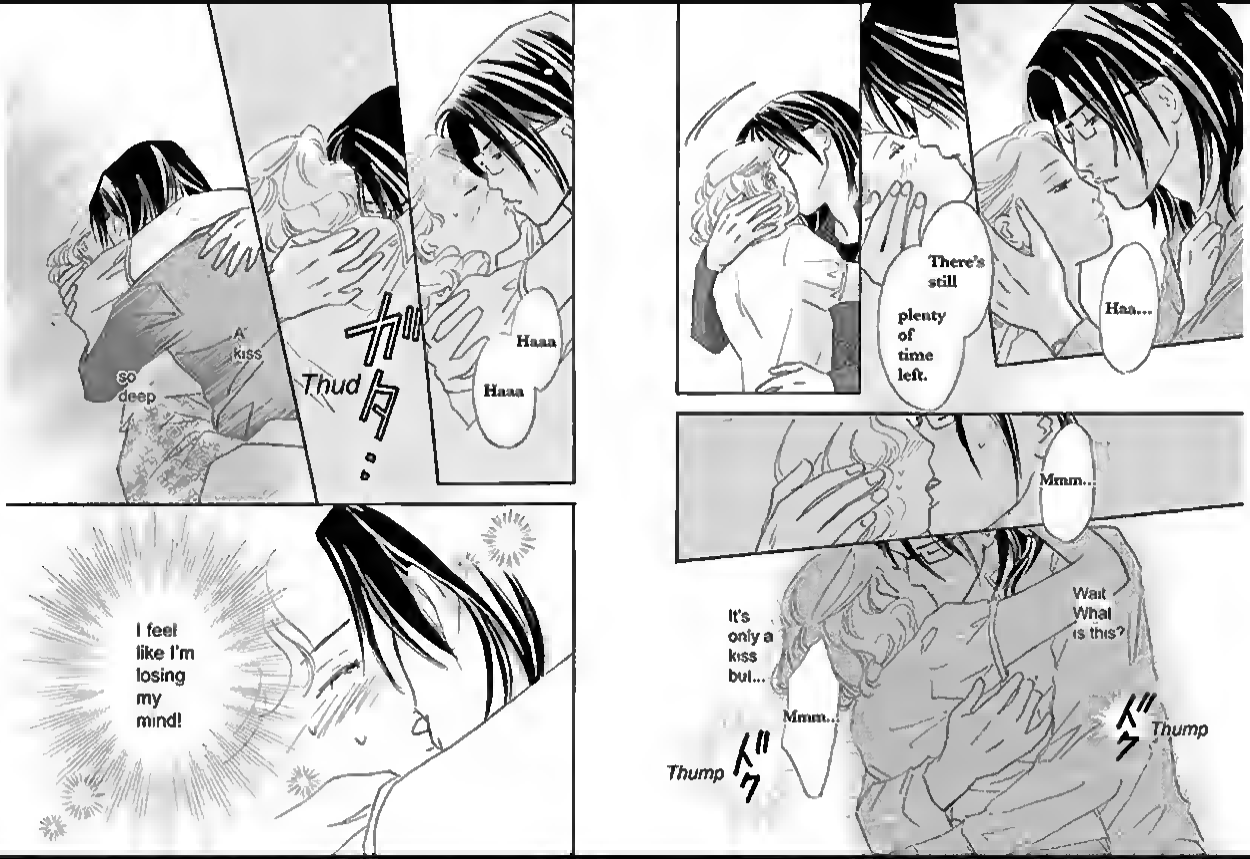
All those years of stress have just been lifted off my shoulders!
Oh, Justin!
You're amazing!
We have to celebrate! Millie, Nick, Remy!
You can eat as much ice cream as you want today!
Yay!
Really?!
Chocolate! Strawberry!
Thank you, Justin!
I can't thank you enough!
Amy...

Yeah.
I'll be looking forward to it later.
A kiss?
That's it?
I'll kave a 3 minute kiss.

If it's only 3 minutes, I don't mind doing whatever he wants.
Okay, then.
A kiss...
A kiss...
Thump
Well, it's only 3 minutes, right?
Erm... By the way, what are you planning to do?
Do you think it's wise to say yes before you know what it is?

All set.
Are you ready?
I can use the timer on this.
Yes...
I love your sexy glance when you look down at me
Oh, Justin
Ha ha ha
I was thinking of something much worse...
He definitely is rather odd
And even just now...
We had one at the wedding
Just a kiss?
Prepared...?
Do you want to put a timer on or something?
Have you prepared yourself?
Oh, well, there's no harm in a kiss.
I have to clean up.



So deep
A kiss
Thud
Haaa
Haaa
I feel like I'm losing my mind!
There's still plenty of time left.
Haa...
Mmm...
It's only a kiss but...
Wait What is this?
Mmm...
Thump
Thump

I'd never thought I would be doing anything like that!!
Swoosh
Good night
Amy.
Huh?!
Blush
Wow. What?!
Even my clothes are messed up!
Flinch
Damn!
Beep
Beep
Beep
Time's up.
So you can make it to bed by yourself, then.
...Yeah.
Can you get up?
Yank
Huh...?
Time's up.
Amy, get up.

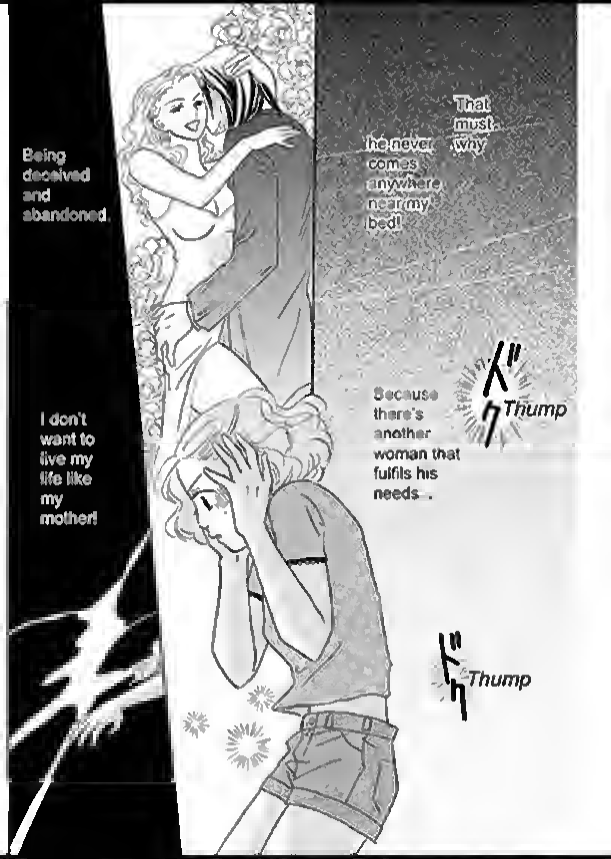
Justin probably won't do anything further
And just as Justin promised
unless I ask him to.
Like I could, even if I wanted to!
he never laid a finger on me after that
You had a phone call from the stock broker society today.
And the person on the phone said...
You're doing a speech at a dinner party, right?
Justin.

Our living style changed a little after that.

Am I going to cause any inconvenience if I go?
What? So you don't want me to come?!
Humph
Well,
I'm taking a shower.
...
that h- already h- s a date—?!
Could it be"

...
The party will be boring.
Probably...
"You're very welcome to join us"
and ask me to come, too..
No...
That's not true.
It's just, I don't think you will enjoy it very much.
?
What?
Does that mean... you don't want me to come?

Millie, I called a babysitter tonight. You all have pizza together, okay?
Amy, are you going out?
Amy, you're coming back, right?
So my feelings for him don't grow
I have to see reality with my own eyes
Millie, just once. Just tonight.
Of course I'll come back, Millie.



Being deceived and abandoned.
I don't want to live my life like my mother!
That must. why he never comes anywhere near my bed!
Because there's another woman that fulfils his needs..
Thump
Thump

Justin! I see you!
Scuffle
But there are two.
Which one is it?
Errr
I knew it! He's accompanied by another woman
Thud

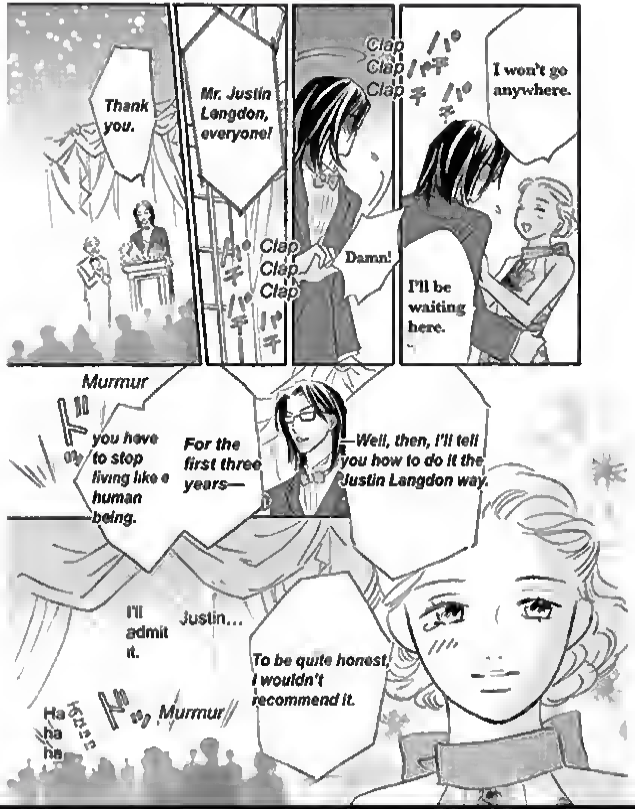
It's... it's here
Gulp
Such carnivorous-looking women everywhere..
Oh!
Ho ho ho
Ha ha ha
Flinch
Glimmer
Looks like a place I would never have an occasion to visit
Yikes.

Who is she?
Justin
I'm sorry... I...
Amy.
What are you doing here?
Justin!
Erm, excuse me.
My wife needs me urgently.
What?!
えーっ
Come on, Amy.
It's such a pleasure to meet you!
So you're Justin Langdon!
I'm a big fan!
Wow

The thing is, he didn't get any help from brokers and just developed his fortune on his own accord. He's a genius, all right.
You're pretty much set if you have youth and luck.
A genius, you say? I hear he is still very young.
It's very busy tonight.
Of course! Everyone wants to hear the story of that genius, Justin Langdon.
トコトコ
Click Clack Clack
Oh!
Hmm?

If you wanted me
you could have easily taken me
but you never tried so...
Amy.
Ladies and Gentlemen.
Pleasa let me introduce you to tonight's guest speaker.
Does that mean... you want me?

I... I'm sorry. I just thought that you were here with another woman!
Well, then.
Are you going to explain to me why you came?
...
Because...
...
Why did you think that?

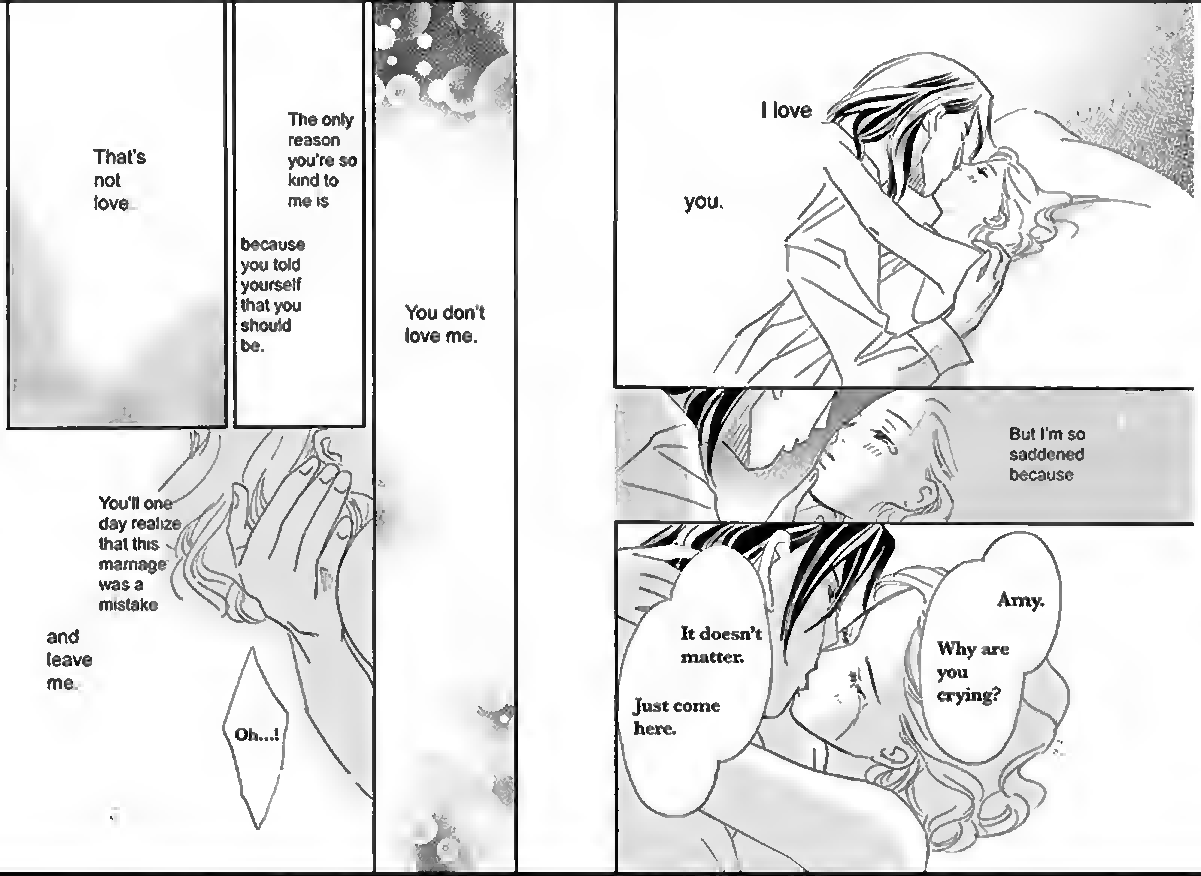


Thank you.
Mr. Justin Langdon, everyone!
Clap Clap Clap
Clap Clap Clap
Damn!
I won't go anywhere.
I'll be waiting here.
Murmur
you have to stop living like a human being.
For the first three years—
Well, then, I'll tell you how to do it the Justin Langdon way.
I'll admit it.
Justin...
To be quite honest, I wouldn't recommend it.
Murmur
Ha ha ha

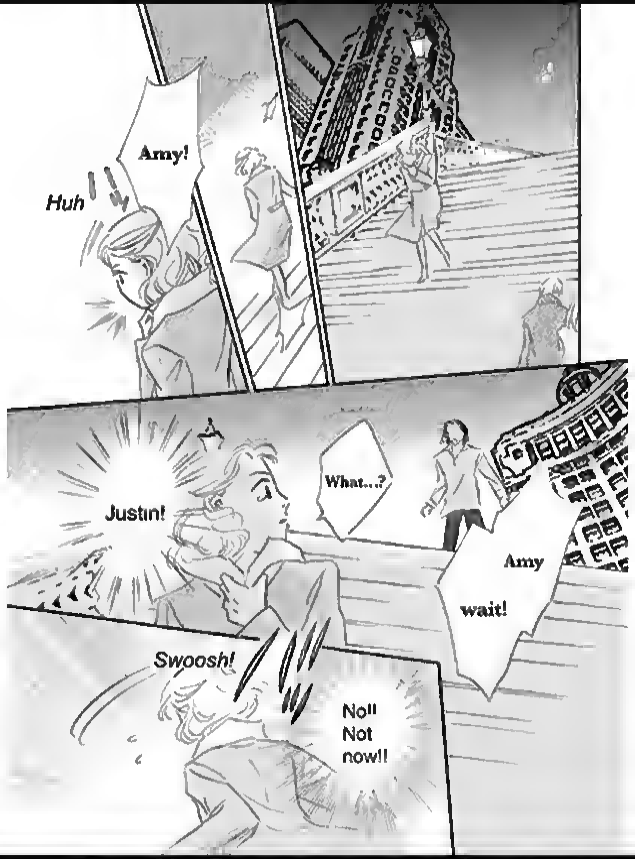
Clap
Clap
Clap
Clap
Clap
Wow!
Please put your hands together for
Mr. Justin Langdon!
Amy...
Everyone is waiting for your speech.
Justin
please go...

Justin
I think I've reached mine, too...
Everyone has their limits.
Just be quiet now Amy.

Not until my assets reached eight figures.
So you really didn't have a car or a date after all these years?
Like you said before, Justin.
It's because you have such great self-control.
I love you
and I want you just as much.

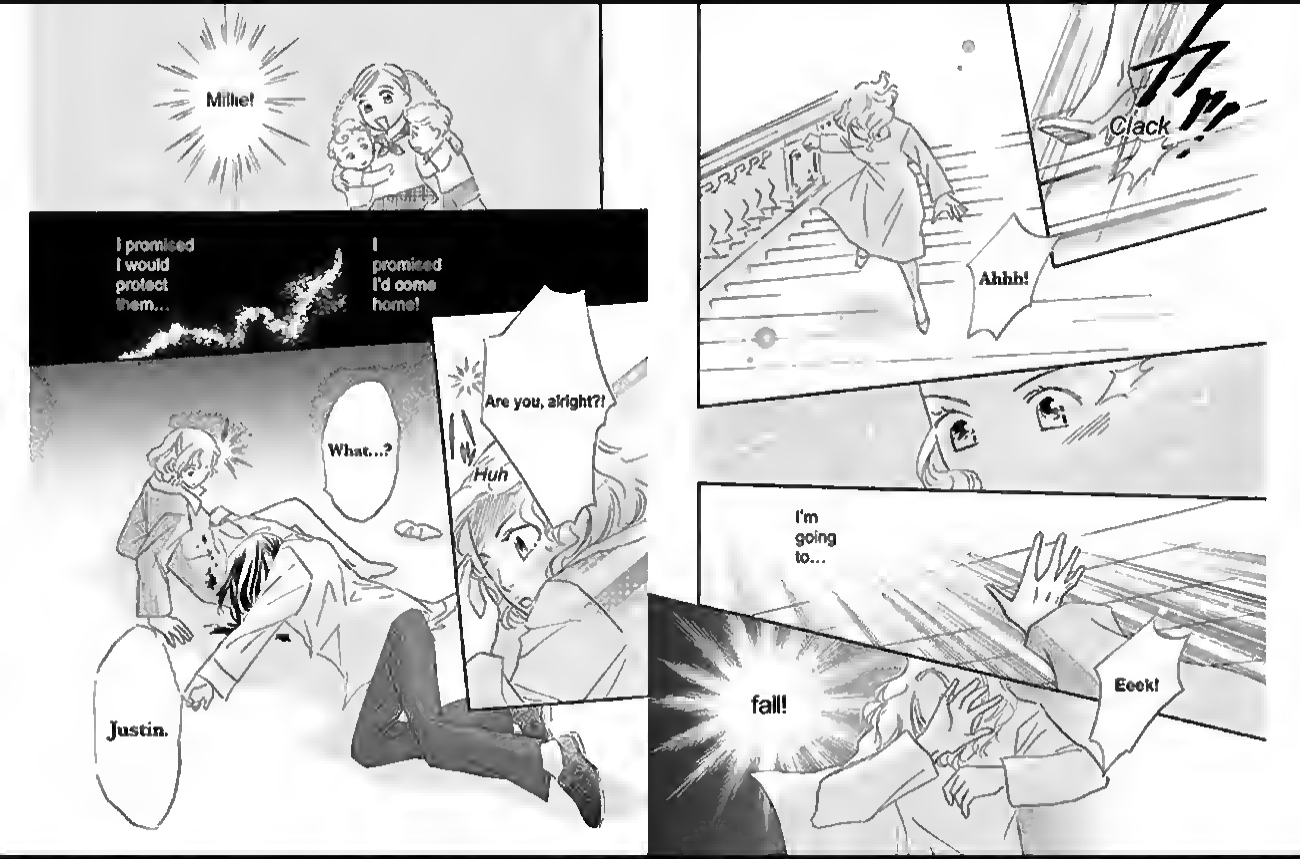


That's not love.
The only reason you're so kind to me is
because you told yourself that you should be.
You don't love me.
You'll one day realize that this marriage was a mistake
and leave me.
Oh...!
I love you.
But I'm so saddened because
Amy.
Why are you crying?
It doesn't matter.
Just come here.



Huh
Amy!
Justin!
What...?
Amy
wait!
Swoosh!
No!!
Not
now!!

That's
why I
tried to
avoid
this
What will
I do, then?
If you love
someone
too much
you
fear
losing
them—



Millie!
I promised I would protect them...
I promised I'd come home!
What...?
Are you, alright?!
Huh
Justin.
Clack
Ahhh!
I'm going to...
fall!
Eeek!

Don't take the person I love from me!
Oh, please, God!
...
Rattle Rattle
You need to wait here.
We're taking him into intensive care.
Why did I think there was no point in loving someone
if they didn't love you back—?
I'll promise to cherish and love him forever!
If you give him back to me
Justin!
Justin!
Oh!

This... can't be...!
How could I have been so stupid?!
No. No! I won't let you die!
Rattle Rattle
Justin!
Justin!

I love you.
Justin
you're awake!
From the beginning, it was just love---
It wasn't parental authority or money that Justin gave me.
Oh, Amy, there's something I was going to tell you if you were by my side when I woke up.
What is it, Justin?
Will you teach me how to show my love for you?
Shush! Shush!
You can't go in now!
?
Huh? What are you doing, Michael?
